

Document: TOL-LGN-SUM-001 | Title: TOL, Inc. Login System - Main Functions | Rev. 0

TOL, Inc. | Date: 2025-07-31 | Created By: D. Levsey

Important Notice

The information in this document is for informational purposes only and is not intended to be legal, financial, or other form of advice and no legal or business decision should be based on its content.

The Transfer Online Login System provides shareholders with secure online access to manage their accounts and investments.

Core Functions

Account Management: User registration and authentication • Profile management and password updates • Account security settings

Stock Holdings Management: View stock certificates and holdings • Access detailed certificate information • Generate holdings statements

Financial Information Access: View dividend payment history • Check invoice and payment status • Export financial records

Corporate Governance: Access proxy meeting information • View voting materials • Track voting history

Access Control & Delegation: Manage account managers • Set permission levels • Delegate account access

Key Benefits

- **24/7 Access:** View account information anytime, anywhere
- **Realtime Updates:** Access current holdings and transaction data
- **Secure Platform:** Multifactor authentication and encrypted connections
- **Comprehensive Records:** Complete history of dividends, transactions, and voting
- **Flexible Permissions:** Grant limited access to advisors or representatives

Getting Started

1. Visit the TOL Login portal with your credentials
2. Complete multifactor authentication
3. Navigate to your desired function from the main dashboard
4. Use the help menu for detailed instructions on any feature

For technical support, contact your transfer agent's helpdesk.
